

New: Inpatient Readmissions Reimbursement Policy

Florida | HealthSun Health Plans, Inc | Medicare Advantage

Effective July 1, 2025, separate reimbursement may not be used for claims that have been identified as readmission to the same hospital within 30 days of discharge for the same, similar, or related condition unless provider, federal, or CMS contracts and/or requirements indicate otherwise.

This policy only affects facilities reimbursed for inpatient services by a diagnosis-related group methodology.

Policy exclusions:

- Admissions for the medical treatment of:
 - Cancer
 - Neonatal/newborn
 - Obstetrical deliveries
 - Behavioral health
 - Rehabilitation care
 - Sickle cell anemia
 - Transplants
- Transfers from one acute care hospital to another
- Member discharge from the hospital against medical advice
